## BODY THERAPY

### **Our signature Roma Stone Placement Massage**

75 minutes

R1320

This treatment is designed around the healing properties of the Basalt Rock Hot Stone and the nourishing elements of the Soy Lotion Candle. This massage aids in relaxing and reviving the tissues. Muscle pain and stiffness in joints are repaired by the heat of the stone enabling blood flow, passing on of oxygen and nutrients to all parts of the body. To achieve a deeper relaxation and aid in regulation of blood pressure, we suggest following your treatment with 15 minutes in our gently heated Roman Tepidarium.
